internship!

\$16.50 per  
hour!

Earn college  
credit!

Must provide  
your own  
transportation to  
project sites!

- ❖ Think like a beaver: build beaver dam analogues to improve wetland/riparian habitat.
- ❖ Forest monitoring: 5<sup>th</sup> year interval data collection in forest monitoring plots.
- ❖ Wildfire mitigation: help local land managers reduce fire risk and increase forest resiliency.
- ❖ Learn about the ecosystem services and the roles natural resources play in meeting community needs.

**To Apply:** Scan QR code, visit our website at [bakerresources.com](http://bakerresources.com), or use the back of this flyer! **Application deadline:** Wednesday, April 17, 2024

**Position Description:** The Baker Resources Coalition (BRC) is hiring up to five high school students (16+) for its 2024 Summer Internship Program. This is an opportunity to explore different facets of natural resource management. You will work on projects assisting land managers, gain insights into roles natural resources serve in meeting community needs, and learn practical skills in forest, watershed, and wildlife management. You will work under the direction of landowners, managers, or specialists who will share their knowledge, skills, and most importantly, their love for the outdoors. This is an 11-week internship with compensation of \$16.50 an hour. Interns will work 5 days a week, approximately 6 hours per day, with an additional hour of compensation provided if project sites exceed 30 minutes of travel from Baker City. You must provide your own transportation to and from project sites! Please complete an application on our website, [bakerresources.com](http://bakerresources.com), or forward a PDF copy of your signed application via email to **Steve Edwards at: [prxs@me.com](mailto:prxs@me.com)**. **Application Deadline: May 6<sup>th</sup>!**
